---

Nerou Cheng, CPA, is the founder and Managing Partner of NCheng LLP, a multi-cultural accounting and advisory firm based in New York. Over the past 30 years, Nerou has built NCheng LLP into an 110-person firm dedicated exclusively to serving the nonprofit and philanthropic sector. NCheng LLP provides assurance, financial management, tax and CFO services that empower its nonprofit clients so they can focus on their mission. The firm specializes in creating financial reporting solutions for internal controls, governance and regulatory compliance.

Nerou serves on the boards of The New American Leaders Project, Apicha Community Health Center, Friends Without A Border and Southeast Asia Resource Action Center (SEARAC). He has an MBA from Ball State University, a BSBA from Georgetown University, and holds a Certificate in Public Accounting from Pace University.
